Curriculum & Pedagogy

We aim to provide lessons that meet the needs of each individual pupil, where they are engaged by their lessons, enjoy them and constantly make progress in their all-round musicianship. Our bespoke curriculum is based on an aural/vocal/movement methodology with an emphasis on progressive learning, inspired by Zoltan Kodaly.

Tutors are all qualified, as a minimum, to degree level in Music and have received specialist training in the aural / vocal approach to music learning. All tutors are expected to maintain the highest standards of professionalism and are committed to the safeguarding of all pupils, in accordance with the [SoMi Academy CIC Safeguarding Policy](#), and have completed mandatory safeguarding training.

Learning Journey Overview

Our learning journey is designed to follow logical steps of progression depending on the difficulty level of the instrument.

We know pupils often are really keen to play instruments like guitar and drum kit at an early age, but we find that a foundation in piano skills (using the Dogs & Birds course) develops all-round musicality, which then feeds into the development of other instruments in future years.

An overview of the curriculum journey is as follow. Further information can be found in the [SoMi Academy Outreach Overview](#) and the [SOME Curriculum Design](#) documents.

Costs

All lessons are scheduled during normal school hours, you can check the timetable of lessons on MyMusicStaff.

The cost for the ensemble sessions is a fixed rate of £35 per month, payable 10 months of the year (September to June). This covers a minimum of 32 sessions per academic year.

Direct debit is our only available payment method. You will be sent a mandate via GoCardless once your child's sign up has been registered by our team. Confirmation of the mandate will enrol your child on the sessions.

Billing

Our billing cycle is monthly. If a direct debit fails, we will correspond with you to resolve the issue. If the issue is not resolved, lessons will be cancelled.

Lessons can be cancelled at anytime at your request, simply send an email to info@somi.academy. Pupils will receive all lessons they have paid for in the calendar month.

Absence Policy

Sessions will generally be on a fixed day of the week, and generally weekly.

Because of the nature of group sessions, absences can not be refunded, credited or otherwise redeemed against any other service.

If a pupil is absent they will continue to receive the online resources so independent practice can still happen outside of school.

Your child's school will inform us of any planned off-timetable events like school trips, and those sessions will be rearranged for another day or week.

1-to-1 Music Lesson Academy

We are in the process of launching our 1-to-1 music academy at LIPA School (Liverpool City Centre) which will allow pupils to accelerate their music learning through 30 min 1-to-1 lessons with our team.

We are partnered with Trinity London exam board and we are a registered exam centre, so pupils can work through grades on their chosen instrument.

Lessons will be held between 3pm and 6pm on weekdays.
